County of Waldo – September 27, 2011

[September 27, 2011] – Municipal officials are pleased to announce that the Waldo County Commissioners have received a \$2,547.00 dividend check from the Maine Municipal Association as a result of its good loss experience and loss prevention programs.

The Maine Municipal Association offers three self-funded pools for municipal and quasi-public entities in Maine: the Workers Compensation Fund formed in 1978, the Property & Casualty Pool formed in 1987 and the Unemployment Compensation Fund formed in 1978.

The programs are overseen by governing boards of elected and appointed municipal officials. Each year the boards review the programs' loss experience to determine if dividends may be paid. Patricia Kablitz, Director of Risk Management Services for MMA, said more than 75 percent of program participants receive dividends each year for their good risk management practices and loss experience.

This year the Workers Compensation Fund has distributed almost \$600,000.00 in dividends to participants and the Property and Casualty Pool has paid dividends of nearly \$500,000.00, for total payments of over \$1 million provided directly to MMA members.

Since 1997, the three programs have returned close to \$14 million in dividends to participating members. For more information about any of the MMA Risk Management Services programs, including online training programs and other services, check the offerings on their website at www.memun.org and click on the Risk Management Services link, or call 1-800-590-5583.
